PROJECTS

Restaurant Website:

- Developed a responsive restaurant website using React.js with a clean and modern UI.
- Implemented features for users to explore menus and book tables effortlessly.
- Ensured smooth navigation and user-friendly interaction for a seamless experience.

Tic Tac Toe Game:

- Built a fully functional Tic Tac Toe game using HTML, CSS, and JavaScript.
- Implemented game logic for real-time player turns and win detection.
- Designed an interactive and engaging interface for an enjoyable experience.

To-Do List Web App/Application:

- Created a To-Do List as both a web app (React.js) and a mobile app (React Native).
- Enabled users to add, manage, mark tasks as complete, and delete them when needed.
- Designed a simple and intuitive interface for easy task management.
